Library Services:

The NSC library holds a cooperating collection of grant directories, guides for proposal writing, board training manuals, and a number of other resources on nonprofit issues. Also available to you is FC search, a popular resource containing information on all know U.S. grantmakers and an online collaboration of eight other Texas nonprofit assistance libraries.

Because nonprofit organizations often need more than grant money to operate effectively and ensure a stable future, the Amarillo Area Foundation offers management and technical assistance to 501 (c) (3) nonprofit organizations in the 26 counties of the Texas Panhandle through the Amarillo Area Foundation Nonprofit Services Center. The work of the Center is supported by the generosity of the Foundation's supporting organization, The Don and Sybil Harrington Foundation.
